To: All Exalted Rulers
Washington State Elks Association

Re: 2013 Calendars

Dear Exalted Rulers:

You now have the 2013 Washington State Calendars. As you know this is our State Association's major fund raiser for the year. 4500 calendars have been ordered and will be distributed to your Lodge by the Esquire to the District Deputy who will be acting as the District Chairperson for this program. The amount of calendars that your Lodge will receive to start with was based on your Lodge's 2012 membership Annual Report. Each Lodge will be expected to sell their allocated amount. If you sell your calendars and need more, please contact the State Secretary and he will see to it that you get more calendars. There will be **NO TRADING** between Lodges unless approved by me as the State Chairman.

I urge each of you to promote the sales of these calendars. Each time your Lodge has an event, a meeting, a dinner etc., these calendars should be out and in a prominent place for sale. Also, don't limit yourself to just selling these calendars at your Lodge, get out into the public and sell them there. This is a fund raiser event and selling them to the public is perfectly okay.

You will see no change in the calendar this year.

Ticket stubs and money should be sent in to the state office on a **MONTHLY** basis, and all tickets, unsold calendars, money and calendar logs need to be returned to the state office by January 07, 2013. **DO NOT FORGET THIS DEADLINE.** We have delayed this deadline so you can sell through the Christmas Holiday. No sales after December 31, 2012. The first drawings will be held on January 08, 2013. Also remember, **lost or unreturned calendars are the same as sold calendars and the Lodge will still owe the WSEA the \$10.00.**

We had a banner year last year in calendar sales. I know that through everyone's effort we can do that once again this year better.

Sincerely & Fraternaly,

Calendar Sales Chairman
