This is the 150th Anniversary of Elkdom. There is no better time than now to invite friends and family to join our great Order. Of course the best support you can give your lodge is to become involved as an officer or committeeman. If you feel you have a skill that might be helpful to your Lodge, I encourage you to contact one of your Lodge officers and ask how you can help.

We have just finished another great year of Elkdom in the State of Washington. Our Elk members continue to come forward and support our activities and charities. From our State Major Project, to our Veterans, to our youth activities, everywhere you look, the Elks of Washington are proving that Elks Care – Elks Share.

To help spread the word the Elks National Foundation is providing a $1,500.00 Anniversary Grant so that each Washington Lodge can do more in its community. See your Lodge or State Grant Coordinator for details.

If you feel you are not able to commit the time to become an officer or committeeman but can contribute a few hours here and there to support a lodge function or charitable project, PLEASE contact your Lodge and offer your support. It will take all of us working together to make Elkdom something your friends, family and neighbors will want to be a part of and allow us to give even more back to our communities and nation.

Roger R. True, PGER
State Sponsor

My, how time flies when you are having FUN! My year as your State President will soon be drawing to a close. I still have a couple of quarterly meetings to preside at, several Installation of Officers ceremonies to attend and several State Conventions to attend as well. I apologize for not getting to visit every lodge in the state. If I did not make it to your lodge, please know that I did intend to do so, but with other commitments both in my own lodge and in my personal life, and winter weather, I just couldn't make it happen.

Whether you know it or not, you have a great group of dedicated Elks that are progressing up through the chairs to become your future State Presidents! Next up, President-elect, John Fry is highly motivated and has been assembling his committee chairs for the upcoming year. If he has asked you, please consider helping him out. He obviously considers you to be qualified and an asset to the State Association. Please consider it an honor!

Speaking of an honor, what an honor it has been to serve the State Association as your President. Thank you one and all for your support and confidence. I am deeply humbled.

Sincerely and fraternally,
John D. Fowler
President, WSEA 2017-18
From Our State VP’s

John Fry
President Elect

Thank you for reading our second edition of the renewed WSEA Newsletter. Our Public Relations Chairperson Sandi Frankie puts a lot of time and effort into making it successful, and she’ll even take the time to remind your President – Elect that he better get his article in before the deadline.

Thanks Sandi.

We’re beginning a new Lodge year and I would like to thank the new Past Exalted Rulers for their dedication over the last year and wish the best of luck to the new Exalted Rulers and offer them the WSEA’s support. Please don’t be shy about contacting our Committee chairs, Program Advocates and Executive Committee if you have any questions, ideas or concerns about our many Programs. and is packed with tons of great resources for recruiting new members and keeping our current ones informed.

We should have a very special summer our own Past State President Noel “Sandy” Barber being installed as Grand Esteemed Leading Knight and of course our friend from Alaska Mike Luhr being installed as our national Grand Exalted Ruler in San Antonio at the Grand Lodge Convention. There will also be a great celebration there for our great Order’s 150th birthday.

Finally, I want to thank all the Lodges for the good works they perform in the local community. No matter how big or small, any good deed makes a positive impact and I hope that you all conduct yourselves as good Elks both within your Lodge and in your community by practicing the virtues of Charity, Justice, Brotherly Love and Fidelity in your hearts and minds at all times.

Sincerely and Fraternally,

John Fry PDDGER
WSEA President – Elect
Shoreline Lodge # 1800
Advertising, sell the events of your lodge, getting people to attend the events of your lodge. How do you get the word out that your lodge is having an event? I want to do an event in my lodge how do I get the most people that I can get to show up for the event? Use your newsletter, start 3 months before the date and put in a quarter page add in the newsletter second month put in a half page add and the month of the event place a full page add. Now you have notified your members but you are still short bodies for the event. Now go to the Washington State Elks Association and get your event on the calendar now you have hit the people that look at the web site. Social media do you put things on Facebook, Instagram or some other kind of social media? If your installation was sparsely attended? How well did you advertise? Did you send invitations to some of the lodges in your area? Did you send an advertisement to the WSEA office and ask to have it sent to all of the lodges by email? There are many different ways to get people to show up to your events be creative and ask for help in advertising your installation. Your lodge is hosting the DD clinic in the spring or fall, how many people besides the required people know when and where the DD clinic is? Is it on the state calendar? We all could use a little more money in our lodge bank accounts with good advertising you and we can make that happen. New lodge officers and friends remember when looking at your goal, look upon the donut and not upon the hole. Good luck in the new Fraternal year and see you soon.

Congratulations Incoming Exalted Rulers

Listed are the New Exalted Rulers from the Lodges who submitted names after my request

I think the most beautiful picture of The Exalted Ruler is the portrait created by well-known painter Al Huffman. Here is the story behind it. Take a look.

In 1912 Charles M. Russell completed one of his most famous paintings, "The Exalted Ruler". After completing he gave the painting to the newly completed Great Falls Elks Lodge where it hung until 1985. The painting was placed on loan to the C.M. Russell Museum. In 1994, the Great Falls Elks Lodge decided to sell the painting with a price of $1.2 million. Under the agreement with the Great Fall Elks Lodge, the museum had to raise funds and make the purchase by April 30, 1995. The Museum launched campaign entitled in for the Ruler with a theme of "Give us an inch... so we can keep the Ruler." Each gift of $250 received allowed the Museum to purchase one square inch of the painting. Approximately 69 local schools participated, including one class of 15 students alone raising $1,000.00. Looking at the picture "The Exalted Ruler" you will see an Elk in the middle. It is symbolic of the President of the Elks Club "The Exalted Ruler". On the left is the out-going "Exalted Ruler", a big bull with a large rack. On the right is another bull with a rack who is next year's "Exalted Ruler". Just to the left of this one is a bull with spike horns and is the future "Exalted Ruler". In front is a bird by a rack of horns hiding, the past "Exalted Ruler." You can tell the citizens of Great Falls knew how lucky they were to have this in their possession. The communities, especially the schools were able to keep the original painting, piece by piece. Now for our story, our very own Al Huffman, being recognized again for his Great Western Prowess was awarded a limited edition print of "The Exalted Ruler". We at Lodge 2363 are extremely lucky to have this print hanging downstairs in our club-room. Thank You to Al Huffman for graciously giving this print to our Lodge for all of us to enjoy. Also thanks to David Dey for making the beautiful frame and to Deborah Carballeira for helping with the name plate. https://www.elks.org/lodges/PhotoGallery.cfm?

The Fun Never Stops In Ballard!

Esteemed Lecturing Knight

Sean Reddy

2018 started with a splash, literally! Our members lined up on the beach just outside of our deck on a brisk sunny morning in January. Members took the plunge for the various charities of their choice while family and fellow Elks cheered them on. The plunge has become an annual event at our Lodge that we hope keeps gaining in popularity. Following the event everyone piled into the Social Quarters for an afternoon of football. January also saw a splash of paint as we held our first ever Cocktails and Canvases event where members painted the infamous Ballard Pilehenge!

A monthly event that has been gaining steam at our Lodge has been our Adult Bingo (21+). This event has become one of our most popular events since it’s introduction in October. Each month the organizers come up with a new theme and play off that. 2018 has seen Vegas, Far Out and Viking Themed Bingo with many more great themes to come! Members are encouraged to dress up in costumes and immerse themselves in the theme. We have seen both Elvis and Ragnar walk through the doors at 827 this year! The costume contest has been a big hit at this event, inspiring the creativity in our members to truly shine. Want to join in the fun with us? Get in the zone at Hippie Bingo! Cash prizes. Tie dye jello shots. Snacky treats. Far out costume contest. It’s going to be grooooovy. The party goes down on April 20th with doors opening at 7pm. $20 gets you in the door with 6 bingo cards for 9 games!

Past Exalted Ruler Grims Gislason once again headed a fantastic Salmon Dinner to kick off the final month of the Elks Calendar year on March 3rd. The dinner was a great success for Elks Charities raising more than $4,000! The next night we held an Oscars Party in the Social Quarters. Members were dressed to the nines as they watched the big event. The month of March also brought about a long awaited arrival back to the Lodge… Girl Scout Cookies! Troop 827 was out in full force selling cookies to anyone and everyone who walked through our doors. Samoas and Thin Mints were flying out the doors in record numbers! For St. Paddy's Day we celebrated with corned beef, cocktails and coin boxes! We held a coin box round up where we encouraged members to drop off their boxes in the Social Quarters.

Our monthly Tacos, Tequila, and Trivia continues to be a great success. We are thrilled to announce that March’s Trivia Night was another record breaking event! Trivia attendees dug deep and raised $645 for our lodge’s Boy Scout Troop #827. Thanks to everyone’s support, the Boy Scouts have recaptured their title as the charity with the highest amount raised at a single Trivia Night!

Attendees showed their knowledge in categories such as Japan, Occupations, Folklore, Spring Sports and even a picture category of Old Ballard (see below). Ultimately this month’s winning team was “The Norskis” and best team name went to team “Stormy Daniels on the Rocks”.

Our next trivia night is Thursday, April 12, and our charity of the month will be Ballard Little League. Registration begins at 6:30 p.m. and questions start at 7 p.m., (6 max per team/table). Team entry fee is $10. If you don’t have enough for a team but you still want to play, come on down and we will find you a team with some extra room!

Coming up on April 7th we will have our Officer Installation Dinner. Rumor has it that Washington State Incoming State President, John Fry, will be heading the event. We will be sure to keep the sumo suits tucked away in the storeroom. The event start at 5pm with a social hour followed by dinner and the Installation. Please let us know if you intend to join us at this event. It was a lot of fun last year with a great turnout!

As I have always said, the fun never stops at Ballard 827! Hippie bingo was mentioned above, but a new event is on the horizon… AprilToberfest! You’ve heard of Christmas in July, well, now we have Oktoberfest in April! Games, pretzels, beer, Lederhosen and Dirndls. More info to be posted as it comes together, but it is shaping up to be a fun event! This event will be held on April 14th. In the mood to try out some new wines? The Ballard Elks Wine Club meets once a month to try out wines of all varieties. Learn all about the flavors, elements, and different regions where wine comes from. This monthly event is hosted by member and sommelier, Matt Beach. Want to test your cribbage skills against fellow Elks? Cribbage tournaments happen every 2nd and 4th Saturday of the month in the Social Quarters! $5 buy in gets you entered into the Double Elimination Tourney.

2018 is also off to a big start with 106 new members initiated thus far. We have seen the return of Ballard Rain at meetings and it has in turn gotten new members involved in the meetings. For those who aren't familiar, Ballard Rain is when members periodically throw change out on the floor during the meeting as a distraction to the ER or whichever Officer is talking. All the change goes towards various Lodge charities. Our most recent initiation class had members throwing change and interacting in the meeting. It has been a good way to have fun at the Lodge meeting and get a good laugh as

And From Everett ...

Our new ER is Darcy Kirschner and I have attached the only photo I could find in the system. I hope you can crop it down for your article.

Our current ER, Dennis Andersen had a successful year. Dennis and a lot of help from the members at Everett Lodge 479 delivered 100 food baskets at Christmas time, raised close to $10,000.00 for Children’s Hospital, $22,000 was contributed to the Tall Elks program and over $9600.00 to ENF. We have been busy working for our charities and will have another successful year with Darcy Kirschner our new ER for 2018-2019. Darcy’s theme for 2018-19 is GIVE WHERE YOU LIVE, and she wants lodge members here in Everett and all over the nation to support our local community and remember do not give until hurts, give until it feels good.

We do have a couple of events coming up.

Friday, April 6th from 7-9PM we are having a PAINT and SIP to raise funds for Music 4 Life and Children's Hospital. Come and create a masterpiece and drink wine for charity. $30.00 per person

Sunday, April 22 we will be having a silent auction and GARAGE SALE to raise funds for Fallen Heros in the lounge.

Incredible Stuff.....really!!
From Bellllingham

The Beginning of the Story

Custom and Boarder Protection.

The lodge donated use of the lodge to Custom and Boarder Protection to train drug sniffing dogs used at the boarder and airports. Officers hid contraband throughout the lodge and

Being Curious, I asked Janet more...

The dogs are amazing. The officer leaves the dog in the car then comes into the lodge and hides little packets of whatever in, under, on a table and in the bar downstairs. The dog is so excited when he gets in the door. The officer keeps him on a leash and they just start walking around. When the dog finds something he stops, his tail is going a mile a minute and sometimes barks. The officer gives him a treat and a lot of lovin'. And they did find it all.
Children’s Therapy Chairperson Training

May 5th 12 noon to 2 pm
Vancouver Lodge.

This training is specifically for Lodge Chairmen for Therapy Program. We will be covering how to host a coin box dinner, how to request a therapy demonstration. How to track your lodges Per Capita status and much more. Often times we hear that someone has accepted this chairmanship but have no idea what to do next.

All chairmen and exalted rulers are invited. And anyone else that would like to know more about our State Project. We are excited to offer this class and hope it will be beneficial to all the chairmen this year. They do not need to be new...they might still find they learned something. We look forward to seeing folks from all over the state. We will post more information on the State Website and on the WSEA Facebook page as the date gets closer. We hope to have a great turn out. Vancouver Lodge will be having a Cinco De Mayo party that evening and all are invited to attend and join the festivities.

Cinco De Mayo
At Vancouver

Followed by Vancouver Lodge’s Cinco De Mayo party! All invited!

Are you aware of this site for all of your new members to journal their journey as a new Elk?

Each new member receives a welcome letter personalized to them from the GER as well.
To: Lodge and District Scholarship (MVS) Chairmen, ER's, and Lodge Secretaries,

Your Washington State Scholarship (MVS) Committee has completed judging applications. Seven girls' applications and six boys' applications have advanced to the National level for judging.

Enclosed you will find a list of the 28 students who will receive scholarships from our State. The Robert A. Yothers Awards will be announced at a later date.

The award distribution this year remains the same as last year. 3 boys and 3 girls will receive 4 year scholarships. The rest of the winners are receiving a $2,000.00 one year scholarship.

Thank you for your efforts toward making this a successful scholarship program and helping us reward some very deserving students.

Fraternally,

Mike Campbell
State Scholarship Chairman

And the winners are......

“The Elks will grow by change, not by chance.”

RICK GATHEN Membership and Marketing Manager

CIP augments four community grants

By TAYLOR ODISHO

The Community Investments Programs office is excited to share enhancements to its mission of helping Elks serve their communities. The Elks National Foundation allocated $12.4 million for 2018-19 to fund the CIP. The grants give Lodges opportunities to serve the community in ways that will raise the Lodge’s profile, energize the membership, and encourage new and former Members to join the Order. A big hit this past fiscal year, Anniversary Grants will return in 2018-19. Every Lodge has the opportunity to apply for the $1,500 grant, which can be used toward a standalone project or to supersize another grant project. The CIP also bumped the number of Freedom Grants to 300 as Elks continue their mission to serve veterans and their families. These grants will move from a competitive process to a first-come, first-serve basis, similar to the Promise Grant. A simple new two-step process makes it easier for Lodges to apply for the Impact Grant. In step one, Lodges will submit a short project proposal to the Elks National Foundation offices. Based on that proposal, the Foundation will select Lodges to complete the second step, which will be to submit a full application. This allows the CIP to assist Lodges with improving their initial proposal before jumping into the lengthier application. Lastly, the Gratitude Grant will now be available to Lodges that meet the GER’s per-member-giving goal by March 31 of the prior fiscal year. With this change, every qualifying, compliant Lodge will have the opportunity to apply for a Gratitude Grant starting the first day grant applications are open. Also included in these changes are a shift in grant deadlines. All grant applications will open July 1 and close by December 31. Lodges will have until the end of the Lodge year, March 31, 2019, to use their grant funds. In 2019-20, grant applications will open April 1, 2019. The Elks National Foundation is excited to offer these enhancements to the grant opportunities and application process. Together, we will build the legacy for e next 150 years. To learn more about the Community Investments Program, please visit elks.org/CIP.

By TAYLOR ODISHO ENF Communications Assistant
Revised ritual guide adds new services

By ALLEN H. LENORT Committee Chairman

A revision to the Rituals of Special Services Manual (Code #511601) has been completed. Changes to the manual include new Father's Day, Veterans Day and POW/ MIA Services. The Tablet Service has been revised and is also included. A courtesy copy will be sent to all Lodges and additional copies are available from the Grand Lodge Shipping Department. All the ritualistic manuals are available on elks.org in the manuals section.
On April 1 we entered the new fiscal year of our Order. And, as most of you are aware, we will be celebrating the Elks’ 150th Anniversary in San Antonio, Texas, in July. This will be one of the largest celebrations our Order has ever known. With that in mind, let’s make 2018 a record year for charity reporting. Every Member of every Lodge would like to have more publicity for all the good things that the Elks do for their communities and states. This can be done easily by reporting your charitable donations in more detail on the Charitable Report you file each month with the Grand Lodge. Compile the information and forward it to your local news outlets and let them tell everyone of the good things your Lodge does. I believe it’s really that easy. The mission of the Grand Lodge Government Relations Committee is to guide the Elks, and its State Associations and Local Lodges, in protecting and preserving the right to exist as a private, nonprofit, charitable organization, a status our great Order has enjoyed since our formation in 1868. In our meeting in Chicago in October 2017, some of the main items of discussion were: 1. Charitable reporting and how the lack of accurate reporting can be a determent to our 501(c)(8) tax status. 2. Social media and how the negative comments and photos can cast an image that we don’t want to portray. 3. Educating Members and employees on existing laws and regulations in their respective communities and states. Our Members and their families and countless volunteers work extremely hard in their Lodges to continue the good work that they are so accustomed to doing: supporting our veterans, working with our youth in the many programs we offer, and helping our communities. These efforts should not go unnoticed. As we begin our new year, let’s strive to reach out to the public and our local, state, and federal governments to let them know of our good works.

Let’s always remember, “Elks Care – Elks Share.”
